Toros Roadworthy is a fully certified automotive service provider based in Slacks Creek, Queensland, Australia, specialising in Roadworthy Certificates (Safety Certificates) for vehicle transfers and re-registrations. They operate as a trusted local mechanic, offering services both at their workshop and via a mobile inspection service across the wider Logan and Brisbane South community, including suburbs like Springwood, Woodridge, and Daisy Hill. Beyond roadworthy inspections, they provide a full range of mechanical services, including logbook servicing, general repairs (brakes, suspension, clutch), pre-purchase inspections, and fleet maintenance, emphasising transparent pricing and quality workmanship.
